

12 April 1961

AD/SI (Dr. Herbert Scoville)

149 A      Barton

Note the Director's approval of OSI's open participation in the conference and his desire that you people "stick closely to facts about the U.S.S.R. and steer away from comparisons with the U.S."

Stanley J. Grogan, Asst. to DCI

11              East              8714
